

Mp3 Disciples Of Grace - Hood Hard

[DOWNLOAD HERE](#)

The next best thing to happen to music. Known for their banging beats and lyrical precision with a message to live by. 21 MP3 Songs HIP HOP/RAP: Spiritual Rap, HIP HOP/RAP: Southern Style Details: D.O.G (Disciples Of Grace) is a rare combination of talent. Teacher-Preacher Born and raised in the land of red dirt, Old school Chevys and home of the Brave commonly known as the Dirty Souths G.A. and Mark Daniel Born and raised in the land of the unknown and tilted Yankee caps Upstate yep thats right Upstate N.Y. 1998 was the start of something we call today as D.O.G. The love of music with there blend of lyrical talent and beats not of the traditional industry standard, set this Dynamic Duo apart from the rest Setting a standard not only for the south but for hip hop in general. Not only do the beats capture your undivided attention. Also there catchy hooks blended with the delivery of the message behind the music is amazing. There unique talent as well as t here Unique styles as individuals, make them a duo the industry is going to regret passing by. There testimonies are put into every verse keeping it real is an understatement. They lived through it seen it and done it all. There scars make beautiful music, there life is realistically relatable to anyone who is blessed to hear there music. They are capable and already been known to change lives but also ready to make history with there music. There first independent limited edition release All dogs go to heaven 1-1:16 in 2005 came during a time of life readjustments. Making a drastic change from the normal street, club hopping crunk hip hop that you would expect from groups in Atlanta, To bringing more of a message and positive outcome of hard times in the life of young men dealing with the normal issues of today. The message is real the outcome is making a difference in the ears of the rising fan base. D.O.G currently working on there first mixtape to be released the summer of 2006 with legendary L.O.D (legion of doom) DJ Aaries. This is anticipated to be big for the Duo. Remember the old saying real recognizes real well its time to recognize. The south is going to soon get a

glimpse of something special in the making.
