"Hood Groan" This has been called the female artist album of the year.. You have never heard a dirty south female artist in this league. Raw, real, and uncut is the explanation of this lady's lyrics and style. A classic in its own league. From true st 15 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Southern Style

Details: Although there are alot of artist who can put words down on paper, alot of them will not tell the entire truth. Durty Red is changing the game with the reality of what really goes on in relationships, the streets, and in everyday life. Durty Red is an artist who exemplifies real and raw. The album "Hood Groan" is all of the above. From the hood to the suburbs and from the streets to the bed, Durty Red gives you real life experiences that are not sugar coated for the superficial. Durty means nothing more than real, which is what this artist gives you in every single line. From the dirty south to the east, north, and west coasts we all have a "hood groan." So you need this in your life!!!
