

## Mp3 Enter The Worship Circle - Village Thrift: Circa 2005

[DOWNLOAD HERE](#)

Village Thrift is ambient, electronic, progressive pop. Not necessarily what you've come to expect from the EWC team, but sure to rock your world. 13 MP3 Songs ELECTRONIC: Ambient, POP: New Wave  
Details: Village Thrift is ambietronic. Take a little pop melody work from Moby, a little ambient rhythm from the Chemical Brothers, add some offbeat elements like symphonic rock from the Art of Noise, and finish it off with the voices of Ben and Robin Pasley and newcomers Todd Berger and Ryan Lott and you are starting to feel the Village Thrift. The songs are inspired directly from the Psalms, and in keeping with the original Worship Circle series, this album is a "must have" for any Worship Circle fans.
