Hip hop for anyone who loves good music...not thugged out, not backpack...real music about real life... 50 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: Soul Details: Grown Folks is a hip hop group from Richmond, VA. The group consists of 2 members; producer Dox-1 (Wordsworth Trust, Pumpkinhead 2 Rude and Payperview, Boogieman Big Boogie, Da Ranjhaz High Off of Mescaline and others) and emcee MicSource (most notably In the Game featuring Skillz). The chemistry between the 2 is undeniable on their 2005 mixtape It is What it is. This was acknowledged in many of the mixtapes reviews including ones from okayplayerand ragomagazine(UK). With the praise from IIVII, the group went onto complete their highly anticipated album entitled Childs Play. Complete with guests appearances from Phil Da Agony, Skyzoo, Darien Brockington, K-Hill, Buff 1 (Athletic Mic League) and others, the album proves the need for a group that can deliver heat with substance. Whether approaching topics that the adult listener can actually empathize with (Family Man, Sunday) or just throwing darts (No More featuring Phil Da Agony, Bang Ish), Grown Folks assert themselves as a needed commodity in a hip hop world of guns, pimps, hustlers and hoes. There is more to the world than the aforementioned topics, and the group makes this clear. The future is bright, and the call is yours. Lets not just talk about what the game needslets make it happen.
