

Mp3 Jericho Jones - Soil And Seed

[DOWNLOAD HERE](#)

A fully produced alt pop outing with layers of dreamy strings and Beatlesque hooks. The melodies are brilliantly simple and the meaning is deep. With an overall britpop feel and vocals something between Ben Harper/Maroon 5, this album is sure to please. 10 MP3 Songs POP: British Pop, POP: Beatles-pop
Details: REVIEWS "I enjoyed the entire CD! ...chord arrangements are dark and yet uplifting and nicely off-set by layers of well-developed melodies. ...a project to be proud of..." Lucky Lew, Audio Engineer for Granddaddy "...most excellent , interesting and unique music.....and ' yes ' I will be airing it on my shows." Eddie Russell, Rainbow Smoke Network (U.S., Spain and Ireland) "Great work! ...a great cocktail of emotions where hope, love and joy are predominant... (and) I really enjoyed the simplicity of the arrangements..." Renaud Rigart, Zoopa Loop (Etrechy, France) "...well recorded! ...vocals have a lot of appeal and remind me of alt singer/songwriters like Ben Harper. Maybe even pop/rock artists like Jamiraqai and Marron 5." A&R staff feedback, TAXI
