

Mp3 Johnny Deleter - Lull

[DOWNLOAD HERE](#)

smooth, ambient breakbeats laced with sequenced live guitar and bass. great on the road or in the lounge. 8 MP3 Songs ELECTRONIC: Breakbeat/Breaks, ELECTRONIC: Down Tempo Details: Johnny Deleter plays Ableton live/cdj sets for his event Camo@Goodlove. Patrons are given free fake mustaches at the door, and asked to keep their identities hidden from each other. Lull is the first installment of fretless bass, guitar, and breaks produced for Camo. He produces hip hop for some of Baltimore's finest booty bass dj's (Baltimore Bass Connex!), and regularly records ambient drone and noise sessions for the Dark and Heavenly World Tape Cassette label in Philadelphia. He has played in many bands, and toured the East coast, however enjoys the quiet pleasures of his residency at Goodlove.
