Quirky, funny, peculiar, novelty songs 11 MP3 Songs FOLK: Modern Folk, SPOKEN WORD: Comedy
Details: Larry Heagle's greatest skill as a songwriter and performer is to direct our attention to the comedy that surrounds us. Your first response to the obvious pleasure he derives from what he does for a living is to wonder just what the hell he thinks is so funny? Before too long, you find yourself in on the joke-it's you and us and him-we're what's so damn funny. Viewed from that precious skewed Heaglian angle, you can laugh at just about anything, and you had better, too, or you'll be the most ridiculous person in the crowd! Larry Heagle's songs almost always turn into sing-a-longs. You find yourself singing along without being asked. After all, the songs are about you, and you are a big part of the show. This album is true to Larry's magnetic spirit. It is vintage Heagle, and with him it's always a good year! Bill Nolte Proprietor, The Joynt Eau Claire, Wisconsin Dear Larry: I really like The Wood Tick Song! We are going to Canada with a group of people and I wanted them to hear it. In the evenings we sit around the campfire and sing songs and I think this will be a really fun campfire song! Mary Kolstad I love your "Tick" song and I know my wife and kids would also. We're from Rhode Island and I think I told you about our cabin up in Maine .. with young kids and a 10 pound daschund .. your words and music are very funny and appropriate for us!
