Ambient Techno, a mix of hard edged guitar work with electronic soundscapes to fire your imagination. 15 MP3 Songs ELECTRONIC: Soundscapes, ELECTRONIC: Industrial Details: L.O.B. is: Sean Kelly: Guitars, Keyboards Reason Programming. Curt Wilhelmson: Keyboards Reason Programming. The music on this album is inspired by our love of Anime and gaming. It is a canvas to be built upon, soundscapes to fire the imagination and move the soul. Sometimes gut wrenching, sometimes ethereal, but always unique! Think of Front 242 meets Alan Parsons meets NIN meets Kraftwerk with Tangerine Dream thrown in for good measure!
