up tempo music for kids and families 17 MP3 Songs KIDS/FAMILY: General Children's Music, FOLK: Modern Folk Details: Tom Pease and Stuart Stotts sing with groups of children, families, students, and adults throughout the United States, and sometimes farther. Although they most often work separately, they are always delighted with every opportunity to collaborate, whether they are writing, performing, or, in this case, recording together. Tom and Stuart know the power of singing together to create community and connection between us all. They believe that movement to music makes the world move, too. They are serious about laughter. And they know that there is not much better than the right song at the right time.
