Sensual, powerful, beautifully performed spoken word with music; the raw emotion will draw you in and envelop you with a charge of energy so strong, it will leave you feeling as if you were living the artist's own life. 12 MP3 Songs SPOKEN WORD: Poetry, WORLD: Celtic Details: Sensual and passionate, Susanne Lee is a daring and restless soul whose adventuresome spirit has led her down an intricately woven, wire-wrapped path of odd life journeys that would boggle the most coherent of minds. As far back as the age of three, she has been known to be a gambler without the gambler's instinct, losing herself time and time again to the magic of the night." An agonizingly romantic dreamer who thinks with her heart, this gifted writer is undeniably the quintessential Libra with an equally undeniable ability to reflect the artistry of her life in the artistry of her words. A Poet in the true sense of the word, Susanne doesn't just write poems she paints them and anyone reading them or listening to her perform will find themselves unexplainably drifting off into the ocean of thoughts that are her hallmark. Whatever her thoughts and feelings, it is apparent that Susanne's work is gift wrapped in love and tied with ribbons of blood and tears that are inseparable.
