postmodernistic rootspective absorbing avant-garde Rock and Pop explorers of the mainstream Top Talent 11 MP3 Songs POP: Today's Top 40, ROCK: Modern Rock Details: THE CATS are world travellers, soldiers of fortune, philosophers, champions of the oppressed, international lovers, casual heroes, mild mannered gladiators, all-singing all-dancing bill topping show stopping lean mean sex machines, a DREAM to some - a NIGHTMARE! to others. Bon vivants, tiger taming bar emptying uprising quelling skirt raising revolution starters, ambassadors, philanthropists, politicians, pragmatists, media darlings and media haters, defenders of the faith, salt of the earth and all round good eggs. THE CATS are musical guerillas whom attack in the dead of night then disappear without looking back leaving only the truth, like a smoking gun; that - out there - some where - out there - alive and WILD is an entity able to rouse and soothe your soul. Right here right now the truth is available to YOU. THE CATS is music for EVERYONE. Dancers, Thinkers, Rockers, Jazzers, Musicians, Drivers, the Lonely, the Lover. As postmodernistic rootspective absorbing avant-garde explorers; THE CATS are unrepentant. THE CATS are hell raising law breaking beasts. They don't want to be movers and shakers - they ARE groovers and earthquakers. Don't delay get a piece of the action right away. Catch THE CATS while you can!
