Never before in the history of Gosple rap has a group of young men stepped up to the plate to fight the good fight against sin and its effects in the church and in the world. 19 MP3 Songs HIP HOP/RAP: Spiritual Rap, GOSPEL: Contemporary Gospel Details: In 1998, God handpicked a group of Holy Ghost filled young men who would one day change the face of the entire music industry. They were chosen to lead a reformation that would manifest the life of Jesus Christ. This group was called MSOG, the Manifested Sons of God. A name given to them based upon a Scripture in the Bible, Romans 8:19, that states that the world is waiting on the manifestation of the Sons of God. Never before in the history of Gospel rap has the need been greater for a group of young men to step up to the plate and fight the good fight against sin and its effects in the Church and in the world. Never before has the need been greater for the power of That Life to be manifested in rhyme, beat, and plain simple living. The group originated out of Ft. Lauderdale, Florida, but relocated to Leesburg, Florida in the fall of 2001. The group consists of Michael the God Child Thomas, the leader of the group, Norris Snoopy Wise, Clay Big C King, Theo Kenon, Greg Prophet Kenon, Daryn D-Riley Riley, Davyn Riley, Byron B-Holy Williams, Eric Minister E Williams, and Shaun Short Heavy Dash. MSOG used to be the JMCs back in 1985 with the God Child and Snoopy as original members, but in 1997 were called MSOG and members were added year by year until now. They have done thousands of ministering dates and are well seasoned in their craft. They have been in musical plays, concerts, and countless of hours working in the streets. They not only rap, but sing, produce, dance, and act as well. They are a very versatile
