We are Hip/Hop/R&B/Jazz/Spoken Word/House undefined by genre lines and industry standards. and 6 MP3 Songs HIP HOP/RAP: Hardcore Rap, URBAN/R&B: Contemporary urban Details: Artist Information Instrumentation Tre - The Mad Scientist (Performer/Producer) LaidBack - The Lyricist (Rap Artist) Phlawle\$\$ - The Animaniac (Rap Artist) Chance - The Answer (Rap Artist) AyanaClarise - The Subtle Diva (Singer/Spoken Word Artist) Rok - The Prolificist (Spoken Word Artist) Aisha -The Natural (Singer) Biography Undefined started out in the year 2000 as the two man group, DOWN. Its original members were the Baton Rouge, Louisiana born Tre and LaidBack. After many instances of hearing the creativeness of, then close friend, The New Orleans, La. born Phlawle\$\$...they made a very smart and lucrative addition. Now, with three strong members, Undefined continued to move forward. Undefined started to feature an artist that had been in the industry for a while from Baton Rouge, La., that went by the name of Luciano on many of its songs. Finally, after they started to realize that Luciano (who had, by now, changed his name to Chance) wasn't just a feature...he was a piece to the puzzle. So, there it was... The core of Undefined was born!!! Undefined is also accompanied by other label mates often. Undefined's music can range from a smooth R&B tip style to a hard core rap/hip hop style. We are all from Louisiana with the exclusion of the "better looking portion of the group" AyanaClarise, who is from New York, NY and Aisha, who hails from the beautiful city of Miami. Our label was started by Straight ahead jazz artist, Nat Dixon (Who is still active as an artist on the label)...and he expects Undefined to keep up with a true love and respect for the art of music. Not just gimmick. Undefined, as the group is called, is just what it is... Undefined by any genre lines, Undefined by its member structure (as they come together in many different combinations to meet the group's musical goals), and Undefined by the limits that the industry places on today's musical entertainment, and the world will definitely see this once it

hears the music. Undefined is fun and energizing...but they remain very serious and dedicated to the craft, because it all comes from the hearts of its members. This is no get rich quick scheme...they love what they do for music and what music, in turn, does for them... Undefined will be around for a long time to come. Stay tuned and keep your ears to the buzz!!! SaxRack Records, LLC. brings to you Undefined... "No Lines...No Limits...No Letting Up" It's ON!!! Website saxrack Discography
