Kitchen Table is a delicious taste of bluegrass, some tangy latin, a morsel or two of contemporary gospel and old fashioned love. 10 MP3 Songs LATIN: Latin Jazz, COUNTRY: Bluegrass Details: Yvonne's "Kitchen Table" is filled with a delicious menu of flavorful tunes all produced by Steve Lemmon of Spiral Studios. This CD platter will give you a little taste of bluegrass and country along with a sampling of tangy Latin, a bit of creative contemporary gospel, and morsel of vintage. Yvonne gives a warm presentation with her easy effortless voice of silver that wraps around her lyrics of love and family. Her original songs are of hope and wistfulness and the virtues of courage and persistence. This album is definitely a "feel good" experience, bringing back a little sweetness to life while recognizing the compromises we have to often make between our dreams and our reality. Yvonne's voice has a rich and pure flavor that lets you know you are listening to a woman of passion for the ordinary everyday life of home and love, but she is anything but ordinary!
