Book three in the Unveiled series. Some needs are so hot it takes more than one man to fulfill them. Marcia Daly's been dating her younger boyfriend Tony for years. They have a great relationship, so why can't she stop fantasizing about sleeping with his best friend, Cale? As much as she cares about Tony, the idea of a threesome intrigues her. Though she's not sure how to broach the subject, her decision to write a sex advice book gives her the perfect opportunity to explore her wildest fantasies. Tony's falling in love with Marcia and wants to give her an amazing gift she'll never forget before he asks for a commitment. Sharing her with his best friend at Kink, a local sex club, turns him on more than he would have guessed. One sizzling night soon turns into two. But when the threesome tests their relationship, Tony wonders if Marcia will ever let down her guard enough to trust his feelings for her...or to finally give in to her own.
