Secret Father is a suspenseful drama of family and politics set in Cold War Berlin. Missed signals, cloaked motives, false postures, and panicked responses echo tragically across borders and generations when, after the fall of the Berlin Wall, a father and son recount the tense events of nearly thirty years before. In 1961, just before the Wall rises, three teenagers from an American school in West Germany travel to the Communist side of the divided city to join a rally. Unknown to them, their parents have unfinished business reaching back to World War II which will pull the teens into the vortex of an international incident.
