Breathless in Black By Marilyn Lee After being cheated on yet again, romance cover model Jolee Randall decides to get as far away from her faithless boyfriend's clutches as she can. Realizing she'll have to take a break from her life in order to do so, she dons spectacles and a dowdy black dress, then takes a job as a housekeeper. Jolee's new employer Daniel can't figure out why it is that he's so attracted to his frumpy, frowning maid, but he can't stop fantasizing about her either. Pretty soon one thing leads to another and Daniel discovers that there's more under that frumpy black dress than he ever imagined.
