Broken By S L Carpenter Jesse Andersen is a broken man. His life is shattering around him, leaving him tired and alone-wondering if there is anything left of his soul. Then one rainy night, the winds of fate blow his way and suddenly he finds a woman who can make him smile once more. Kari Hawkins has her own wounds to heal. Dating Jesse is a risky proposition-a gamble with emotions that are still raw and painful. Except something about this man calls to her heart with a voice that shares her sadness and offers hope. Hope that maybe, just maybe, he can be the one. Like the pieces of a puzzle, Kari and Jesse come together for solace, for warmth and finally for passion. It's not easy or casual, but it is hot and sensual-and what they both need. Neither wants to ask if it will last-nor do they anticipate the future until it confronts them head-on. Then it's time to ask if their broken lives have truly healed.
