Details: Early Lauren Echo before she went solo. Early David K before he kicked himself out of the band to manage Lauren. David and Lauren were part of this trio of songwriters called Bag One, which also included Warren Kimmel. Bag One created Sunglass Stories as an album of songstories combining pop, folk, rock ballads. There is a tinge of country the alternative - especially in the lyrics. Bag One is dedicated to creating universal songs that touch people. The songs are rhythmic, melodic hook oriented with consistent intelligent lyrics. Lauren Echo handles the deep gritty female vocals with a style that captivates audiences is reminiscent of a young Bonnie Raitt. David K has a vocal style that fans say is kinda soothing and a little bit Lou Reed and Dylanesque. If you like a variety of music: the Beatles, XTC, Velvet Underground, Fleetwood Mac - this record is sure to find a place in your CD mixes. Sunglass Stories is produced by Bag One Dave Bellochio - multi-platinum recipient for his work with such artists as Naughty By Nature Hall Oates. *Bag One takes its name from an original portfolio of illustrations by John Lennon use the name with permission from Yoko Ono.
