My music consists of an eclectic mix of soulful sounds. It is sultry, sexy and uplifting. Pop it in the CD player and enjoy the ride. 14 MP3 Songs URBAN/R&B: Rhythm Blues, JAZZ: Free Jazz Details: Genetic Chillie is the debut album for Chilly-D. She is inspired by her producer and musical wiz, Itz Jnettik. This is their first project together under Hilltop Records. They enjoy the freedom to create new and innovative music. All the material is original, raw and on the cutting edge of jazz, r&b, rap and inspirational music. They are currently working on a new album. They believe that through their music they will entertain, inspire and touch the hearts of listeners with a brand new kind of funk.
