

Mp3 David Fiorenza - Go Ahead.. Ignore Me

[DOWNLOAD HERE](#)

Contemporary acoustic, Americana with a flavoring of country. Folk, Pop, meaningful songs. Real songs about real people. 10 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Rock Details: First full CD by this Contemporary acoustic guitarist/vocalist. Music is flavored with harmonica, accordion, bass, guitar and vocals. Visit: davidfiorenza for more info. David was host of OPEN MIC nights in the suburban Phila, PA. area. He is constantly touring at coffeehouses, senior centers, retirement homes, outdoor festivals, fundraisers and house concerts. Contains the songs "New York City Dreamin'" and the answer to that song as "New York News". Both written prior to 9/11/01; but haunting realities of New York come out in these songs. Reviews: E.H. King, Country Western Corner: "Each cut has the potential to move radio listeners. Enjoyed it!" Allen Foster, Songwriters Monthly: "It sure is good to hear David with a band. David has that unique style, like Bob Dylan." The song "Wintry Wondering" posted in the top 30 of Independent Music for New York Radio News in January 2001. David has over 29,800 plays of his songs on mp3.com "Go ahead..Ignore Me" heard on over 1,000 radio stations in the U.S., Canada, Europe and Australia. Other CD's available on CD Baby: Tan, rested ready and "Martini's, Stockings William Holden".
