THIS ALBUM IS HARD CORE RAP REAL RAP A MUST HAVE FOR THE TRUNK. 18 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop Details: I present to you six young men from the city of Dayton, determined to make an impact in the music industry. The lyrics on this album are real life situations based on the day to day living in Dayton, Ohio. This album is called the beginning because it's the beginning of something real big, it might be soon or it might be later but we are bound to make an impact on the music industry. We are currently working on three other independant projects, hoping to sign with a major label and make some real money. but until then we try to stay focused on making music, and promoting a project as much as possible going city to city selling cd's straight on the streets. This album is a straight classic, a must have for the trunk mixed and mastered by d.j. tim woodz. With over a hundred tracks ready to go, we decided to put together a little something to get things going. This album includes a variety of talented artists from dayton, with hot flows. For hot deals on cd's and merchandise check out daytonboyzmusic.com, check out the "LIVE FROM DAYTON" cd, available online now. Also coming soon, Dayton Boyz vol. 2 still on the rise, and Nefew's debut solo album: servin e'm all. These albums are gonna definately be hot, stay posted for further details, if you have a problem with any merchandise contact Bond immediately @ 937-554-8379.
