The Doors tripped on acid with the Ramones 10 MP3 Songs ROCK: Modern Rock, ROCK: Punk Details: born in brooklyn and bred on various electronic devices. Brain washed by american values and warped by their immigrant families. each member of Dead Family thinks their engaged in some kind of delusional class war with the man. Their low self-esteem outcast mixed with large amounts of pot and depression drugs can explain the latter. Otherwise these guys originally from Brooklyn have it going on.
