Djemb Kaan - Voice of the Drums 8 MP3 Songs WORLD: African, WORLD: World Traditions Details: We are a multicultural African percussion group. Our music can be defined as ancient West African polyrhythms. The djembe drumming system dates back to 7th century from the Mandingo Empire (old West Africa). The vibrations from these particular drums are said to have healing properties. In Africa, those Drums are used for anykind of Celebrations, and also for communication with the spiritual world. What is amazing - it's known worldwide Worldwide Drumming school - Tam-Tam Mandingue or if you stop near Kansas City drop us a line - we may be jammin' somewhere ...
