I was born and raised in Greenville, MS, but currently reside in Arlington, WA. I am married to a wonderful man and have two beautiful children. Singing has been a part of my life for as long as I can remember. I began singing when I was 4 years old at a small church in Greenville, Mississippi. The first song I ever sang was "Near the Cross". Since then, I have been involved in many choirs and groups, but God has open up doors for me to complete my very first project. There were many times I wanted to give up, but God had a plan. He is revealing to me more and more that he is my source and that I must lean and depend on him for everything. I did not do this project to lift myself up, but to lift up the name of Jesus. He is to receive all the glory and honor. Because of him, I am fully convinced that there are no limits or boundaries on my life. I pray that this CD will be an inspiration to someone and that their lives will never be the same.
