A mixture of Jazz, Fusion and Funk. Easy to listen to at any volume. 6 MP3 Songs JAZZ: Jazz Fusion, JAZZ: Acid Jazz Details: Originally from Atlanta GA, Freddy Thomas started playing guitar in the early seventies. Early influences and inspirations include: Jimi Hendrix, Wes Montgomery, Ernie Isley, George Benson, Kenny Burrell, Carlos Santana and others. Freddy has strived diligently to cultivate a unique and fresh style to call his own. He loves to write and perform a myriad of genres and believes that "when it comes to music, variety definitely spices things up. After playing in numerous band over the years, I ultimately arrived at the realization that writing and performing your own compositions is where it's at. I thank God for the joy and fullness that music has brought to my life, and I encourage everyone to pursue a musical outlet."
