

Mp3 Gary Murray - Revenant Waltz

[DOWNLOAD HERE](#)

Dreary folk? Murray was the frontman for the critically acclaimed slowcore band LN. His solo effort finds him more along the lines of Dylan, Elliot Smith, Sun Kil Moon, Mojave 3, etc. 5 MP3 Songs FOLK: Folk Pop, ROCK: Americana Details: Gary Murray is the singer / song writer for the critically acclaimed slowcore band LN. Who put out 9 releases on the Velvet Blue Music label. Now Murray finds himself stepping out on his own. The new songs are stripped down, somber, and heart breaking. His works are a must for any true lover of modern music.
