Higher Place offers passionate and intimate songs of worship to touch the heart of the Father. Driving songs of praise and melodic moments of powerful worship display a deep desire to encounter God. 6 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: Folk Rock Details: The songs on this EP represent a number of years of Youth Camp ministry, personal struggle and victory, and intimate encounters with God. Knowing that worship draws us close to the Father's heart and in His presence there is transforming power, our heart is lifted up the name of Jesus and minister to His heart. Higher Place Ministries is a vision for youth and youth ministers birthed in the summer of 1994 based upon Isaiah 57:15, "For this is what the high and lofty one says - he who lives forever, whose name is holy: 'I live in a high and holy place, but also with him who is contrite and lowly in spirit, to revive the spirit of the lowly and to revive the heart of the contrite.'" Today Scott and Lisa Hobbs travel sharing the gospel, leading worship, training youth leaders, leading seminars, facilitating worship through the creative arts, and tailoring ministry for today's generation.
