what hip-hop was, what hip-hop should be. enhanced cd 16 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap Details: ARTIST BIO K.C. HISTORY K.C., born Ernest Gregory Jr. lives in Akron, Ohio. Born in Silver Spring, MD. He received a lot of street knowledge from D.C. Living back and forth with his mother and father. He gained an acute sense of being. Getting caught up in gangs and the street life he chose to take the negative energy and turn it into a positive force. At age of about 10 the first rap was born. Not to mention he was scratching his mothers records up by playing Mr. dj. He would rap on the corner with his boys, coming right off the top of the head. Many people would say you should create a demo. He was never that serious until he heard LL's radio. That caught him off guard. It was time to get real. "i felt a sort of awe when i heard that song. i knew i was good. I wanted to be great!" EXPERIENCE / PERFORMANCES Other than rapping in front of crowds at talent shows. K.C. has performed at the Voodoo Lounge, The Station Nite Club, Kent State University, and many small events. Learning that every time he performs some place. It's as if he's doing it for the first time. GOALS / OBJECTIVES 1 goal that K.C. has is to bring all the talent in Akron together. Feeling that more can be done as a unit, than ever can be done divided. He just wants to keep giving the joy of music for as long as he can. "I miss what it was like when you were doin this on the corner with your mans and them. We have rappers, we need hip-hop mc's." FAVORITES " My favorite artists are LL, Rakim, Spice 1, Mc eight, Ice Cube, Easy E, DMX, Geto Boys', and many more. They all have had an impact on me to create a legacy of my own". As you can see the list is pretty involved, ranging form East coast. To West coast, and the South. I guess it's fair to say Hip-hop is in his soul! WHAT TO EXPECT The first cd "IMPRESSION" was old school. Old school to the core. "That was my impression of hip-hop when I stopped rapping". This new offering is without a doubt night and day.
