

## Mp3 Linda Rae - Family Songs

[DOWNLOAD HERE](#)

Sweet and easy country. Baby songs for new parents, lullabies, pet and friendship song, and kid songs. Perfect gift for baby showers and for kids and adults of all ages. 8 MP3 Songs KIDS/FAMILY: General Children's Music, COUNTRY: Contemporary Country Show all album songs: Family Songs Songs Details: Linda Rae has been singing and writing songs for family and friends for many years. Several requests for the songs led her to record and release her music. Her clear innocent voice is perfect for these songs, which speak to new parents, and to adults and kids of all ages. Her contemporary country style, mixed with mandolin, and complemented with male and/or kid harmony, reaches new levels for Linda Rae in "Family Songs", her second CD. You may also find other information about Linda Rae by looking for "Faith Songs", which is a motivational country album with a mix of bluegrass and rockabilly. "I had fun and shed tears while writing the songs on this album. Some of these songs were written about my own children and their kids. The others are about my experiences as a school teacher." Linda Rae has sung these songs for baby showers, and the music is perfect for a gift for many occasions.
