"A little bit country, a little bit rock n' roll"...Feel good rock with a twang and a woman's perspective. 8 MP3 Songs COUNTRY: Country Rock, ROCK: Americana Details: The tag line, "It's a little bit country - a little bit rock roll," fits Lorraine Lewis perfectly. This former lead singer for MCA hair/metal act, Femme Fatale, has gone country and hunkered down smack in the middle of her roots. Who knew that this hard rock wild woman actually had a rustic soul? On top of that shocking development is the fact that her country/rock tunes are potential crossover hits. With songs that are genuine, moving and skillfully crafted, this songwriter is ready for Nashville. In fact, "I'm an American girl" and " Rodeo Clown" are so good, it'll be no surprise when the Grand Ol' Opry extends her an invitation. Lorraine's voice has a hard rock edge around a country twang that is a cut above Shania Twain's. Heartfelt and strong, Lorraine's vocals are the ideal vehicle for her sharp lyrics and memorable melodies. Lorraine is a country/rock artist who is an excellent songwriter. At least one of her songs ("American Girl") is already receiving a ton of airplay. Indeed, if the country music industry is looking for the next crossover sensation, they need to look no further than this artist. MUSIC CONNECTION/BERNARD BAUR
