URBAN/R&B: Soul, GOSPEL: Contemporary Gospel Details: The mixture of modern R&B and 70's Soul/Funk is comprised of 14 musicians from the Austin Texas area and is produced and recorded by MichauX and mastered by Tom Coyne, Sterling Sound, New York, NY. (Selected credits: Maxwell, D'Angelo, Erykah Badu, Sade, Yolanda Adams, Beyonce and Jessica Simpson). Coyne proclaims, "MichauX sings with a truckload of emotion, I had a lot of fun working on this record!" The Soul singer's style is often compared to that of Maxwell, Marvin Gaye, Curtis Mayfield, and The Isley Brothers.

MichauX's music carries a positive message in a language that anyone can relate to. He connects with today's generation in a very personal way, sharing his own life experience and how he overcame many obstacles. He creates a symphony of sounds with each song and conveys a wide range of moods throughout the album. From smooth soul (All I Need), to Urban hip-hop (Hey Girl, Hey Playa), to funk and R&B (Restitution); the beat, pace, and rhythm of the music has the ability to stimulate and motivate.

When asked where his inspiration comes from MichauX says, "What motivates me is working with 'at risk' youth. I want to bring them a positive message of hope that will help keep them in school, away from drugs and a life of crime. Knowing their lives are being affected by the message in the music, is the highest achievement."
