

Mp3 Micro-phobic - Beady Eyed Nincompoop

[DOWNLOAD HERE](#)

Beady Eyed Nincompoop is a blend of world ethnic instruments with electronic pop crossover and country twang. 11 MP3 Songs ELECTRONIC: Pop Crossover, POP: Quirky Details: Micro-Phobic has a musical style of its own, a blend of world ethnic instruments and modern day electronics. Primitive beats and unique rhythms mixed with lyrics and singing that will most likely not be heard on the top 40 of conservative American radio. Some say that Micro-Phobic is from a parallel universe, and then others say they dont really exist at all. Nevertheless, you can find them on Mad Mason Records.
