In the Midst of Destruction, theres Deliverance In 1998 God brought together these 4 MC's and a DJ (D.O.C., Big Kuppa, S.N.I.P.A., Godson and DJ Redeemd) with the same vision to see His kingdom grow and empower the youth of today. In March 2000, they released their first CD "Aftermath" with Inner Soul Records. Their music has reached radio stations throughout the country and has been in the hands of Sports athletes like Allan Houston, to music moguls like P Diddy, to Gospel greats like Kirk Franklin and to people of all kinds. N.D.I.A. has performed on the same stage as Aretha Franklin, Viki Winans and Hezekiah Walker. They have had the opportunity to travel to cities throughout the country and also to Corentyne Berbice, Guyana for a concert attended by one thousand people. In May of 2005 N.D.I.A. opened up the Bollywood Movie Awards show, which is the Indian version of the Academy Awards, in Atlantic City, NJ. This event was broadcasted to almost 50 Million people all over the world. Just recently they were awarded Best Rap Group at the 2005 McDonalds Gospel Fest held in Madison Square Garden. They have brought the message of Hope to all races and cultures impacting many lives along the way in the last 7 years. They currently released their 2nd album The Calling on sale here at cdbaby.
