

# Mp3 Remember Rome - Holy Smoke! The Best Of Remember Rome

[DOWNLOAD HERE](#)

Progressive Acoustic with a Spiritual Edge 17 MP3 Songs FOLK: Folk Pop, FOLK: Modern Folk Details: Holy Smoke! The Best of Remember Rome spans the band's career through 2003, in anticipation of their forthcoming 2004 release. The songs chosen for The Best of Remember Rome highlight the spiritual side of Remember Rome's lyrics. There are also a few bonus instrumental tracks from the early days of the pre-Remember Rome project, "The Neumes," including some tracks originally written for a film about the life of Ghengis Khan. Check out Remember Rome's two previous CDs: their self-titled debut as "Remember Rome," and their sophomore release, "La Bocca della Verita" (it means, "The Mouth of Truth"). And look for a CD of all new Remember Rome songs coming in 2004!
