Guilty, a 25 year old hustla from the south side of Sac, has been Dabblin in the rap game for just over three years. The Manny Fresh Dr. Dre of the click combines a laid back flow with a smooth pimp voice. His continuous assault and aggressive flow leaves you wondering how violent this young man really is. Northern \$krillafornia features several appearances by label mates The Gaf Pak. The Gaf Pak hails straight from the Bay Area. Since their inception in 2002, they have been a hot act to see live. By performing with bay area rappers like Yukmouth, Cellski, EA Ski, and Keek the Sneak (just to name a few) the Gaf Pak was able to leave their stamp on numerous stages across California. The two brothers T-Bone a.k.a. High Stakes and P a.k.a. SMIB have also honed their live skills by watching their world famous aunts The Pointer Sisters when

they were kids. When the Gaf Pak ignited crowds on the Lyricist Lounge tour as a supporting act for dirty south big timers Killer Mike, Youngbloodz, and Cee-Lo Green as well as east coast hip-hop heavyweights Dead Prez, Bootcamp Click, and Cappadonna, the Gaf Pak showed they know how to demand respect on stage. Now with their first full length album due out this summer (Tools of The Trade), many are anticipating what this Die Hard duo will drop on wax.
