background vocals. He is a published poet who wishes to perform, and produce and remain humble and modest in spite of the hype often associated with success in the musical industry. He wants most of all to make a contribution to Gods creation that in some way helps in the healing process .. to share with anyone willing to listen. The brothers have a musical background wherein their father, Thomas Jenkins helped form, manage, and sing for the Gospel Quartet " THE MIGHTY SOUTHERN ECHOES of Washington D.C.
