youtube.com/mcdnc or myspace.com/dncmyspace reverbnation.com/dnc for my bio or myspace.com/jrstraightlace 30 MP3 Songs in this album (118:04) ! Related styles: URBAN/R&B: R&B Rap mix, HIP-HOP/RAP: Instrumental Hip-Hop People who are interested in Dr. Dre Trick Daddy should consider this download. Details: Hi artists and thanks for stopping by. My Name is Jeff they call me the DNC representing the (Democratic national committee). We all know who they are am I right? (President Barack Obama is there boss)This is so exciting for me. I hope I can inspire others too in the music world as you do for me today!! I have been involved with making beats since about 1982. Now I have great fun and pleasure making beats for my friends and family so why not get money out of it since everyone keeps telling me to make more beats and do more songs so. .. Here are beats. Download one or two or get the whole CD. (WOW) WOW) (READ THIS) This CD comes royalty free so there probably the bottom line beats I have but great enough so you can do what you like. Also if you have a copy of reasons so that you can edit the beats too. Thats right the actual beat files are there for you to edit. If you need a refill please email me at itsthednc@gmail This CD is made up of 30 MP3's, 30 editable reason files and 30 wave files so you dont have to work that hard with the CD and software manipulation. Thanks for listening and check me out on YouTube at youtube.com/mcdnc DNC
