"A collection worthy of praise... Brandi Hart has a voice that could give Alison Krauss a run for the money, and could Buddy Woodward be the next Dan Tyminski...?" - NY Times' AboutCountry Music Guide 8 MP3 Songs COUNTRY: Bluegrass, COUNTRY: Country Folk Details: With a cult following reaching far beyond Manhattan and a brand new album that's hot off the presses, bluegrass phenoms THE DIXIE BEE-LINERS are creating quite a buzz! Known for their high-octane harmonies and stunningly beautiful original songs, the band recently spent SIX WEEKS IN THE TOP TEN of the Roots Music Report Bluegrass Chart. RMR's Robert Bartosh has called them "the next big thing in bluegrass music," and music critics across the board seem to agree! The Dixie Bee-Liners have been featured live on BBC Radio Scotland, NPR, and the Food Network. Their music can be heard across America and around the world, from hometown and college radio to Sirius Channel 65 and Clear Channel's WTCR. The band's crossover favorite "Lord, Lay Down My Ball Chain" is featured in the forthcoming film "American Shopper."
