Details: THIS WORLD is a trio of accomplished, gutsy musicians playing a rich and original combination of classic rock sounds and rhythms, world music, and hymn-like harmonies. LEE KOHLER'S classical training, ROB KOHLER'S jazz experience, and CLAY GREEN'S multicultural percussion set-up interact to create an honestly distinct music. The CD, THIS WORLD, combines musical talent with Native American singers, children's voices, and soprano saxophone. Mixed by Grammy award-winning Cookie Marenco and recorded at a rural Montana studio, the CD is proof that great musicians can collaborate to make great music regardless of geographical location.
