Passionate AAA Jazz-rock. 14 MP3 Songs EASY LISTENING: Soft Rock, JAZZ: Smooth Jazz Details: This is my 2nd CD written in 1999-2000 about the joys, frustrations, weirdness and opportunities of being alive now. Some phenomenol sax work by Ron Kerber and guitar work by Chet Makowski. We recorded this basically live rhythm tracks in the studio and then put vocals and sax over top. There is a song called "Living On The Main Line" about living west of Philadelphia where all these super rich people used to live (think Hope Montgomery Scott from the famous movie "The Philadelphia Story") and now it has such a distinct flare even though the wealth has disappated. I am really proud of the arrangements and passion on this CD.
