distinctively versatile hip hop. 12 MP3 Songs HIP HOP/RAP: Rap, NEW AGE: New Age Details: The question of the year and many years to come is who is Virtue Reality? Derrick Walton AKA Virtue D Reality was born in a small town in Miami Florida where he now resides. Growing up as a child he always had potential in what ever he did and knew one day he will posses a gift that will one day change the world and the lives that dwell in it. Raised in the church but influenced by the streets Virtue Reality has found a gift that combines both truths or realities together. When you think of the word Virtue you must first think of its definition: Virtue:. a. Moral excellence and righteousness; goodness. 1. b. An example or kind of moral excellence: the virtue of patience. And what is Reality: 1. The quality or state of being actual or true. 1. 2. One, such as a person, an entity, or an event, that is actual: "the weight of history and political realities" Benno C. Schmidt, Jr. 3. The totality of all things possessing actuality, existence, or essence. 4. That which exists objectively and in fact: Your observations do not seem to be about reality. The combination of these two words bring together a person of morality and actuality which will not be denied. He is a man of integrity and a man of passion and has found a way to release his powers through songs or psalms. Although people have different meanings to the word one statement stands fact: Patience is a virtue and virtue (a way of life) is a reality.
