URBAN/R&B: R&B Pop Crossover, URBAN/R&B: Soul Details: In case you've wondered if real singers still exist, you'll find the answer in Will Preston. Will is a multitalented singer/songwriter who possesses that rare quality that enables him to captivate all audiences. His music is a sophisticated blend of R&B and Pop, and the delivery is first class. His style is a throwback to days when perfect gentlemen reigned supreme. With a silky smooth voice that glides effortlessly through each note, Will is poised to become a major force in this business we call "show". It is easy to argue that he is a balladeer whose soulfulness is reminiscent of greats like Sam Cooke, Donny Hathaway and Luther Vandross. In addition to these A list artists, Will counts Brian McKnight, Stevie Wonder, Gerald LeVert, and Fred Hammond among his favorites. "I love music. If you ask me the same question tomorrow, the answer could be more inclusive. I don't think any single person has had a predominant influence on my style. Rather, it's a combination of many singers that I've enjoyed over the years." With his debut release, "It's My Will", Will takes us on an emotional journey of love. From the ups to the downs and the in between, he gently takes us through it all. When asked about the album's recurring theme, Will offers, "Love is something that we all need and want. Nothing evokes a greater feeling than knowing that you are loved." Along with hit producer Funkeeboy, Will set out to create an album that would be enjoyed for years to come. "It was important for us to select songs with substance. If we weren't feeling a song we'd scratch it off the list and move on. The vibe in the studio was great. We worked tirelessly to create something that people will enjoy for a long time. I think it really shows in the music." This release not only establishes Will as a great vocalist but as a credible writer as well. He penned most of the songs on the album including the title track "It's My Will". Will has managed to recapture that time in music history when songs told a story. Anyone who's

ever been in love will relate to these songs. The journey begins with the funky guitar driven track "My Love". You realize at that very moment you're in for something special. "Second Chance" is a dramatic ballad that deals with someone pleading for another opportunity to make things the way they were supposed to be, while the fiery "Afterplay" reminds every man that true love is deeper than sex and physical attraction. "It's My Will" is an infectious mid tempo ballad that's sure to have you singing along. Will's flexibility as a singer is proven with the Caribbean flavored track "The Letter". "A Prayer for Me" is an explosive ballad that pleads for understanding when it seems that two hearts are drifting apart. Whether listening to the soulful "If Love Says So" or enjoying the sensuous "See My Love", a duet with sultry Latin diva Leila, this release is sure to find a permanent place in your collection. With a lineup that includes many other masterpieces, choosing a favorite will be no easy task. You'll soon discover the best kept secret of our time. Ladies and gentlemen.....Will Preston
