YOU CAN BUY THIS ITEM AND

SEND THE INFO OF YOUR LG PHONE. HOW TO ORDER LG Etna UNLOCK CODE LOCKED TO ANY NETWORK IN Antigua & Barbuda Upon purchase, you will receive a link from tradebit, to download a text file. The file has our email address info.ddworld@gmail.com You have to send us the following info via email.

- 1: The IMEI number of your LG mobile phone. (dial *#06# on your phone to get the IMEI). Your IMEI should have 15 digit numeric value, no . - or /. If your phone display 17 digits, then send us the first 15 digits and neglect the last 2 digits. Sending us the wrong IMEI # will result the wrong unlock code and the code will not work on your LG mobile phone.
- 2: Enter your current network provider (i.e. Cingular AT&T, T-Mobile, Rogers etc.). Your current network provider is the network to which your LG phone is currently locked. To determine the network provider that your phone is locked to, look at the start-up screen on your phone, or look for the network logo somewhere on the front or back of your LG phone.
- 3: The country of Network your phone is currently locked to. For example if your phone is locked to AT&T then your country of network is USA. If your phone is locked to Telstra, then the country is Australia. Do not send us the network/country where you wish to use your LG mobile phone after unlocking. It is a fact that unlocking LG mobile mobile via SIM unlocking code is as easy as 1-2-3. It is safe and legal to unlock LG mobile with SIM code. Unlocking a LG mobile phone is totally risk and damage free. You dont need any technical knowledge to unlock your LG cell phone. Once unlocked your LG mobile will accept SIM cards from any GSM network. Planning to travel abroad? unlock your LG and swap your SIM card to save money on roaming charges. Once unlocked your mobile phone will increase its resell value, and give you freedom of using a network of your choice.

Frequently Asked Questions: What is remote unlocking?

Remote unlocking has now become the most common way to unlock your LG mobile phone. This is because it is so simple and no data cables are required at all. It is very easy to unlock your LG mobile phone using remote unlock codes. In fact this is how the mobile networks unlock handsets. After using our remote unlocking service you will be able to use your LG mobile phone with any other GSM network provider worldwide without any restriction, saving money on roaming charges and increasing the resale value of your LG mobile phone! Remote unlocking has now become the most common way to unlock your Phones. This is because it is so simple and no data cables are required at all! All you need to do is type a specially calculated code into the LG mobile phone! Its that simple! How do I check to see if my LG mobile phone is locked? The simplest way to check if your LG phone is locked, is to insert a SIM card from another network and see if the phone will accept it. If your LG phone is locked you will often see an

error message of some kind. I placed an order and I'm still waiting for unlocking code. How long should I wait? Usually we process the order within 1-12 hours after received the requested info, (such as Phone model, IMEI, country and the network provider) and send the successful calculated code to you by email. Should you not receive your code within stated timeline, please first check your SPAM/JUNK folder. And if you have not received the email from us, then please contact us. This rarely happens but if it does, don't hesitate to contact us. What is your refund policy? We offer a FULL MONEY BACK GUARANTEE for your purchase in following conditions. First and IMPORTANT: We suggest you to record your unlocking activity using (digital cam/movie cam) with IMEI visible on screen, in order to claim refund in case of an unsuccessful unlock. A video proof is required for refund. You may request a refund if the code generated will not unlock your phone, instructions are followed and the following conditions are met. You or someone else has not attempted to unlock your LG mobile before. You gave us the correct IMEI of your LG phone and the network provider. You are not trying to unlock a LG phone that is stolen or blocked by a network. You are not trying to unlock a hard locked LG phone. Every LG mobile has certain number of unlock attempts you can try before the phone is hard locked. Please note the FULL MONEY BACK GUARANTEE will be void in above condition/s.
