

## The Book Of Secrets

[DOWNLOAD HERE](#)

A book for the Ravenloft and Gothic Earth Settings Reading this book takes you on quite a voyage in your own imagination, I was constantly having to go back and reread sections that I realized that I hadn't taken in at all. This wasn't down to a poor writing style but because my mind had gone off, whirling on a tangent triggered by some thought provoking piece of advice. All submissions have been edited to use Americanized spelling. This was done simply to give THE BOOK OF SECRETS a more coherent appearance, and should not be meant as a slight against our Anglicized authors. THE BOOK OF SECRETS Release Date: October 31, 1999.
