

The Diary Deck: About Teens By Teens - Judi Shils

Being a teen is not simple. There are a wide range of issues demanding their attention and examination, from discrimination to drugs, sexuality, friendship and stress. The Diary Project website (diaryproject.com), started in 1995, was created to give young people a safe place to discuss issues anonymously. From the privacy of their computers, they could share thoughts, dreams, fears and advice and, most importantly, find that they're not alone. Today there are tens of thousands of diary entries on the site. Some are funny, some poignant, some profound. All are vividly real. The Diary Deck collects a sampling of these writings. Each page includes one entry and three thought-provoking questions about its topic. The Diary Deck is a powerful tool to get teens, parents and teachers talking.
