"Instantly Create Simple Covers For Any Project In Under 30 Seconds!" Dear Product Owner, Finally you can fire your graphics designer and save yourself a truckload of money! As a digital product owner, it's very likely that you have spent money to have a graphics designer create a professional looking cover graphic for your product. If you have, then you know that most graphic designers charge from \$97 to over \$150 just to create ONE simple cover! It is a proven fact that professional graphics help to increase the conversion on your website. They increase the perceived value of your product and turn more of your website visitors into customers! With all of these benefits, you'd think that there would be a easier, and cheaper way to get the same results... Now there is an easier and more affordable way! It's a new software program called, "Instant Cover Creator" that will take all of the hassle of graphic design, and quickly create a cover for you! With Instant Cover Creator - you can instantly make dozens of covers in a fraction of the time that it would take for you to send an email to your old graphics designer. By the designer that you hired ever received your email you could have created the perfect cover to help sell your next product. Instant Cover Creator Will Save You Tons of Time, Money and Effort! Creating your

own covers is as easy as 1,2,3... just a few clicks and you are done. Take a look at a screenshot from this software and you will see just how easy it is. * Select a cover design - just choose which of our 20 cover designs is your favorite * Enter your headline and sub-headlines - type in your headline or the name of your product that you would like to appear on your cover * Choose an image - Select any one of our front and side images, or create and upload your own * Generate your new cover!!!
