

Infinite Music: Imagining The Next Millennium Of Human Music-making - Adam Harper

[DOWNLOAD HERE](#)

In the last few decades, new technologies have brought composers and listeners to the brink of an era of limitless musical possibility. They stand before a vast ocean of creative potential, in which any sounds imaginable can be synthesised and pieced together into radical new styles and forms of music-making. But are musicians taking advantage of this potential? How could we go about creating and listening to new music, and why should we? Bringing the ideas of twentieth-century avant-garde composers Arnold Schoenberg and John Cage to their ultimate conclusion, *Infinite Music* proposes a system for imagining music based on its capacity for variation, redefining musical modernism and music itself in the process. It reveals the restrictive categories traditionally imposed on music-making, replaces them with a new vocabulary and offers new approaches to organising musical creativity. By detailing not just how music is composed but crucially how it's perceived, *Infinite Music* maps the future of music and the many paths towards it. Author: Harper, Adam Publisher: John Hunt Publishing Illustration: N Language: ENG Title: *Infinite Music: Imagining the Next Millennium of Human Music-Making* Pages: 00234 (Encrypted EPUB)
