

Mp3 Aylus - Street Songs

[DOWNLOAD HERE](#)

Sounds like a suicidal John Denver smoked some weed with Willy Nelson and took guitar lessons from Jimmy Page;. this guy lives on his Martin. Also check out the CD Rationally Explicit from AYLIUS. 13 MP3 Songs BLUES: Acoustic Blues, ROCK: Acoustic Details: A-lee-us sits on the edge of a seven story downtown parking ramp, Loves to be high, fearless of the height, he is consumed with the music coming from his Martin,effortlessly, a new song comes into existence. Unpolished,unproduced, one man with his guitar, shows you just how raw it can get. hey this is aylus i cant write in second person it sounds fucking stupid i cant type either must be nice to have a fucking secertary i dont mean to be a dick but what is all this make with people wanting to become famous. i think its some attention disorder thruth is you might as well play the fucking lottery so cut the make pick up your instrument, smoke some weed get connected to the world around you put that into your song yea, its the song that will become famous anyways hello, wake the fuck up quit dreaming about you start dreaming about the song if the song doesnt mean everything to you it wont mean a fuckin thing to anybody else i am a musician of the street i dont give a fuck what you say or what you think from the street i bring the song from my hands and my tongue to yor ears always the dick AYLIUS
