Richest Man Alive was penned by Carl with collaboration from Cliff Meekins (Earl Clifton and The Pin-Ups / Garage Rock) Carl's twin brother! The general idea for the song stems from the ongoing demise of the American Financial Crisis as compared to Carl's life and the way he measures his riches. In these modern times where God seems to be just an old fairytale some may think the track makes a bold statement with it's "I've got Jesus by my side" lyric. But for those still in this world who do believe in family, friends, the Lord and love, they may find this song to be a staple, A new found Anthem! We do hope you enjoy this simple song and pray that it finds you well and that the lyric touches your heart. May God bless you and yours! -Little boot / GSA Records More about the making of this recording to come... About Carl, Carl Wayne Meekins is good country music with rock roots.
